About JU

Established with an aim to provide quality education and entrepreneurial development, Jain (Deemed-to-be University) is an intellectual destination that draws inspired students from more than 38 countries to Bengaluru. Founded by Dr. Chenraj Roychand, a visionary leader, edupreneur and an angel investor, the University has been consistently ranked among the top private universities in India. The innovative programs in the emerging fields offered at Jain (Deemed-to-be University) are peer-assisted, blended and interactive. Being the hub of entrepreneurship, the University has incubated 40 ventures and elevated more than 100 entrepreneurs in various sectors.

About Center for Executive Education (CEE)

Jain (Deemed-to-be University)'s Center for Executive Education aims to provide best in class executive education programs and academic certifications for the working professionals. It is a unique platform which will enable the delivery of executive education both as open programs and custom programs to meet the professionals' needs. The programs at Center for Executive Education are designed to accelerate the careers of leaders in a technology-driven world. It will equip them with the knowledge of essential business disciplines, opportunities to specialize in their chosen areas of expertise and experiences to develop their global perspective on business.

Empower entrepreneurs who can **IDEATE** new notions

BUILD upon the existing resumes of working professionals with emerging IT skills; and

Create managers who can **LEAD** an organization

Learning Environment

Networked Technology

CEE also provides a comprehensive computer-based service in the IT center with high speed internet access including Wi-Fi connectivity. There are computers in classrooms and laboratories with a wide range of specialist applications to support study programs.

Auditorium

The 300-seater auditorium is well equipped with modern acoustics and state-of-the-art facilities to conduct seminars, corporate events, student activities and general announcements.

Mini Auditorium

The 100-seater mini auditorium offers similar facilities as the Auditorium, such as modern acoustics, multimedia and comfortable seating.

Seminar Hall

The Center for Executive Education has an air-conditioned, built-in theatre styled seminar hall which is frequently used by faculty and students in conducting seminars, student club activities & recruitment exercises.

Technology enabled Classrooms

The altar of learning has always been the classroom however, at CEE, classrooms are a whole new world of discovery, being equipped with high tech facilities like high-speed internet connectivity and state-of-the-art projectors.

Library

The library is the center of academic life and provides a range of services to support and enhance the students' learning on the campus. A team of subject specialist librarians and other trained staff provide a wide range of services to support the information needs and to help students make the most of the resources available.

Gym

The gymnasium boasts off cutting-edge equipment. The students are exposed to various fitness activities as a relaxing form of stress-buster to help them gain a perfect balance between academics and a holistic well-being.

Cafeteria

The cafeteria at the CEE is a hub of activity, social exchange and youthful energy. Bustling with social life, it is also a place where one can exchange crucial ideas, pool efforts, and strategize on everyday activities.
